ADC *Summer* Newsletter

Summertime is here!! That means… Fall Registration, Open House, and Summer Classes!

To our dancers that performed in "Sleeping Beauty," congratulations! While our show may not have been in the format of our usual recital performance, you still took the stage with excitement, passion, and expressed a true love for dance. We are so extremely proud of each and every one of you. A huge thank you to all those who volunteered to help the show run as smoothly as possible. We really appreciate your time and efforts!

We are so excited to begin another incredible year of dance! We may have changed our name, but our heart and soul remains the same, with our passion for teaching dance as strong as ever. This, in addition to the decreasing number of Covid-19 cases/restrictions in the area has allowed for quite a few changes in our registration process, and policies for the upcoming year.

Please read through this Newsletter and contact us with any questions or concerns. Have an amazing Summer!!!

Fall Registration!

Looking forward to another amazing year of DANCE!

Here is where you can find all important information regarding Fall Registration:

1. Registration Email sent 6/2/21 – Includes info about:
   - **Cleaning and safety protocols**
   - **Class Titles**

Monthly: Payments are due by the 1st of the month. September and May's monthly payments are due by your dancer's first class in September. Your last monthly payment will be April 1st.

Covid-19 Restrictions and Safety Precautions

To those just joining us this season:
Prior to our 2021 Recital May 22nd, we had several protocols in place to keep our students and families as safe as possible. Some of the biggest ones were:

1. Anyone entering the studio wears a mask at all times, including dancers while in class.
2. Sanitizing before and after class, and entering/exiting the building.
3. Dancing in our "Dancing Squares" separated by 6 feet.
4. Limited contact lifts/partnering in classes.
5. Enforcing quarantine policies to those in close contact with a positive case of Covid-19.
6. Washing the floors between every class with different students.
7. Sanitizing the barres, bathrooms, and high touch surfaces between classes, and as often as possible.
8. Installing air purifying systems in each classroom, and ventilating with the doors open as often as possible.

As we enter a period of time where cases are significantly lower in the surrounding area, and a large portion of the population is vaccinated against Covid-19, ***we plan to adjust our protocols.*** For starters, the floors will only be cleaned at the end of each night and our dancing squares will be replaced with social distanced X's.

As of right now, we are requiring everyone entering the building to wear a mask.

Our hope is that by the time summer classes begin, we will allow dancers to stay un-masked if they would like. If we are aware of a single case of Covid-19 within the studio, all dancers will be masked for 2 weeks to avoid transmission within the studio *no exceptions*

We will confirm with all summer class attendees July 1st as to our final decision on mask protocols.

Thank you for helping to keep our community, and our dance families as safe and healthy as possible!
